

Webinar Series: Forced Migration

Tuesday 16 March 2021
2-4pm

Dr Kellie Thompson
Tracy Ramsey and
Dr Steven Lucas
Liverpool Hope University

Liverpool Hope University's biannual social work field trips to Palestine have taken place over the last decade, and are grounded in the importance of the 'experiential' - students seeing with their own eyes the struggles by, and diverse acts of resistance from, Palestinian communities from which students learn, share and act.

Drawing on their research findings, Kellie, Tracy and Steven aim to show the transformative learning experiences of past cohorts of students living with
